### Web Application Development

I found a job opening in the United Kingdom, specifically in London.  
It could be remote work, and they're looking for a Junior Web Developer.

The screenshot shows a job search interface with a dark theme. At the top, there are filter buttons: 'Empleos', 'En remoto 3', 'Fecha de publicación', 'Nivel de experiencia', 'Sueldo', 'Todos los filtros', and 'Restablecer'. Below the filters, a search bar contains the text 'Web Application Developer en Inglaterra, Reino U...' with a 'Crear alerta' button. The results list shows three jobs: 'Junior Web Developer - London (Remote)' by VITA CV, 'Software Engineer Intern' by Meta, and 'Junior Web Developer' by Joins. The first job is expanded, showing details: 'Junior Web Developer - London (Remote)', 'VITA CV · Reino Unido (En remoto)', '14 £/h - 20 £/h', 'Visto', and a 'Solicitar' button. The 'Acerca del empleo' section describes the role as a Junior Web Developer in London, UK, with a salary of £14 - £20 per hour (DOE) and a job type of Part-Time or Full-Time | Remote. It also mentions that VITA CV is hiring on behalf of a London-based digital solutions company.
